

**“Catch Them Before they Fall”
Training Materials Ordering Information
(Order 1 per participant in training)**

Note: In order to advance the use of Reading First DIBELS in schools, the Florida Center for Reading Research (FCRR) has developed this listing of training materials that will be needed to implement training using the FCRR model. Trainers using these materials must have completed the FCRR-designed facilitator’s training so that the integrity of the training can be maintained. Please contact Tricia Curran at the FCRR (850-644-0613) for further information on how to be trained as a facilitator of Reading First DIBELS.
