

Objective

The student will gain speed and accuracy in reading phrases.

Materials

- ▶ Phrase practice sheets (Activity Master F.014.AM1a - F.014.AM1d)
Make two copies of each sheet and laminate. Note: These phrases were developed using high frequency and other grade level words. Some phrases repeat and some have repeating words.
- ▶ Phrases correct per minute record (Activity Master F.013.AM2)
- ▶ Timer (e.g., digital)
- ▶ Vis-à-Vis® markers

Activity

Students quickly read phrases in a timed activity.

1. Place the phrase practice sheets and timer at the center. Provide each student with a phrases correct per minute record.
2. Taking turns, students select a practice sheet and practice reading the phrases to each other.
3. Student one sets the timer for one minute and tells student two to “begin.”
4. Student two reads across the page while student one follows on her copy and uses a Vis-à-Vis® marker to mark any words in the phrases that are read incorrectly. If all the phrases on the sheet are read, go back to the top and continue.
5. Continue until the timer goes off. Student one marks the last word read. Student two counts the number of total phrases read correctly. (To count the phrase as correct, all the words in the phrase must be read correctly.)
6. Student two records number of phrases read correctly on her phrases correct per minute record.
7. Repeat the activity at least two more times attempting to increase speed and accuracy.
8. Reverse roles.
9. Teacher evaluation

Extensions and Adaptations

- ▶ Use other phrases.
- ▶ Graph individual words read correctly. Use graph F.025.SS2 or F.025.SS3.
