

### Vowel Picture Sort

#### **Objective**

The student will match vowel sounds in words.

#### **Materials**

- ▶ Vowel header picture cards (Activity Master PA.008.AM1a - PA.008.AM1e)
- ▶ Vowel picture cards (Activity Master PA.008.AM2a - PA.008.AM2j)  
*Choose one vowel at a time by selecting header and picture cards for the same vowel (e.g., short and long “a”).*

#### **Activity**

Students match vowel sounds by sorting pictures into columns.

1. Place vowel header picture cards face up on flat surface. Mix and place the vowel picture cards face down in a stack.
2. Taking turns, students select a card from the stack, name the picture, and say the vowel sound (e.g., “fan, /a/”).
3. Place in column with matching vowel header picture card (i.e., bat).
4. Point to and name picture cards in entire column starting at top.
5. Continue until all cards are sorted.
6. Peer evaluation

The image shows a grid of five picture cards on a blue grid background. The top row has two cards: a whale labeled 'header' and a baseball bat labeled 'header'. The bottom row has three cards: a door, a potted plant, and a fan.

#### **Extensions and Adaptations:**
