#### **Activity**

Students brainstorm category headings and produce words for each category.

1. Place large and small index cards at the center. Provide each student with a student sheet and a Vis-à-Vis® marker.
2. Working in pairs, students brainstorm four headings for categories (e.g., wild animals, types of vegetables, states, planets, things to laugh about, jobs, loud noises). Write the agreed upon headings on large index cards. (Each student can be responsible for writing two of the headings).
3. Identify and write five words for each category. For example, for the category of jobs, words may include police officer, nurse, bus driver, mechanic, and teacher. (Students can take turns writing the words.) Place cards under the corresponding heading.
4. Write the headings and words on the student sheet.
5. Teacher evaluation
