2. Taking turns, student one writes and reads the topic and the text aloud until designated stopping point.
3. Brainstorms and discusses the main idea and its supporting details with student two.
4. Writes the main idea statement and the supporting details on the student sheet in designated areas.
5. Hands student sheet to student two and reverse roles.
6. Continue until the text is read and all main ideas and supporting details are recorded.
7. Teacher evaluation
