**Expository Text Structure** 

In My Own Words

#### **Objective**

The student will paraphrase text.

### **Materials**

Expository text

Choose text within students' instructional-independent reading level range. Format text to fit on left side of student sheet, attach, and copy.

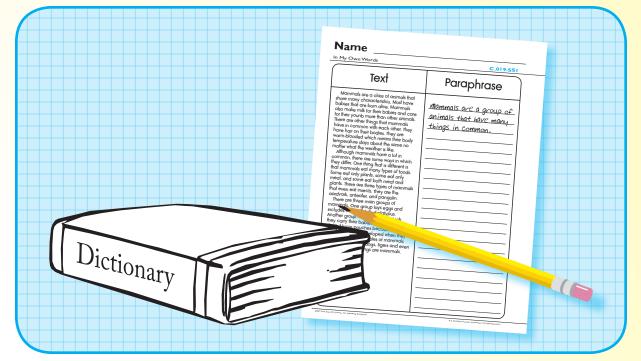

- Student sheet (Activity Master C.019.SS)
- Dictionary
- Pencil

## Activity

#### Students rewrite text in own words.

- 1. Provide the student with a student sheet.
- 2. Student reads or reviews the text. Looks up any unfamiliar words in the dictionary, if necessary.
- 3. Underlines any important words, phrases, or sentences.
- 4. Rewrites each sentence in own words.
- 5. Rereads what is written and confirms that the meaning is comparable to the original text.
- 6. Teacher evaluation

# **Extensions and Adaptations**

- Discuss text with a partner and paraphrase text together.
- Write a summary statement based on the text on the back of the student sheet.
